

2023 ART2LIFE INTERNATIONAL JURIED EXHIBITION

## 2023 ART2LIFE INTERNATIONAL JURIED EXHIBITION

**Art2Life is proud to present our fifth International Juried Art Exhibition. Our juror, Anita Rogers, selected 54 pieces of art out of nearly 1,800 entries. She also selected the first, second, third place winners and three honorable mention award winners. We hope you will take the time to read Anita's Juror Statement about the work she selected. All work with a price listed is for sale directly from the artist and the artist retains 100% of the sale proceeds. If you see a piece you are interested in, please click on the image and you will find the artist's contact information, price of the piece, and their website or social media account(s). Last year, six pieces of art were sold through our exhibition. We thank you for visiting our exhibition! Enjoy!**

*“One of the most challenging areas of the gallery is finding artists – we are always looking for timeless artists who not only have talent and training but who are making innovative and thoughtful work. I was very much looking forward to jurying as it is such a special opportunity to see so much new work from so many artists at once. I was happy to see a nice mix of figurative and abstract works in the entries.*

*My first and second place winners are both striking figurative artists who seem to have strong formal roots but are making fresh work. In the work of my third-place winner, a mixed abstract artist, I was struck by the artist's sense of balance, color, and material choices.*

*I would like to thank everyone who took the time to submit to this year's exhibition. I am the daughter of an artist and I hold such deep respect for artists and the dedication they give to their work. I encourage all artists to keep working, to keep experimenting, and to keep putting their work out there. It's essential”*
